

## The National Union of Students in Hungary (HÖÖK) is seeking to appoint mentors for its Stipendium Hungaricum Mentor Network (for semesters of 2024 and 2025)

Dear Students,

HÖÖK is seeking to appoint mentors for its Stipendium Hungaricum Mentor Network. Mentors take tasks on contemporary assistance and the integration of foreign students coming to Hungary with the Stipendium Hungaricum Scholarship Programme in the semesters of 2024 and 2025.

### **DEADLINE FOR APPLICATIONS: 30 April (Tuesday)**

Please apply online: send a CV and a letter of motivation and a student status proof by filling out the following Google form:

<https://forms.gle/uKG5tTEris2rAVyU7>

Should you have any questions, send an e-mail to [shmh@hook.hu](mailto:shmh@hook.hu).  
We hope to see you soon!

### *Mentors' tasks*

- Mentors are sophomore or senior students who go to the same university and help with the institutional integration of their mentees. After the mentees' arrival in Hungary, mentors help them with the integration into the student scene. It is the mentors' responsibility to keep in touch with their mentees and to inform them about any current institutional competitions and scholarships, as well as about the institutional academic system.
- Mentors may work in groups and help 7-15 mentees simultaneously, which they receive allowances for.
- Mentors are responsible for their positions for one academic year – during which they are required to own students' status.
- Mentors are kindly asked to forward matters to the mentor network's management of their mentees that cannot be solved within their responsibility.
- Mentors are responsible for keeping in touch with the institution's leading mentor, satisfying their administrative tasks and giving monthly written records of their tasks.
- Mentors are required to do their utmost and be present at training and on country image-building programmes organised by the management of the mentor network.

### *Criteria for application*

- Except for freshmen, each student can apply for mentorship, provided that they are involved in full-time training (BA, MA, undivided training, higher level vocational training) during the semesters of 2024 and 2025.
- Since the common working language of the Stipendium Hungaricum Mentor Network is English, mentors are all required to be fluent in English.
- In case of successful application, mentors are required to visit the Mentor Camp, organised by the managers of the mentor network, during which their accommodation, dining and training are provided.
- Applicants must send fill out the given Google form with their personal information, CV and motivational letter in English.

### *Examination of applications*

- Each applicant will receive a confirmation by **10 May 2024**. In case the application is successful, it is followed by an interview (when needed).
- Applicants will be informed about the Mentor Camp, in July, after the end of the enrolment period. We will send such messages to those e-mail addresses mentioned on the application pages. We kindly ask each applicant to provide a Gmail address.

*Budapest, 28 March 2024*
