STAFF WEEK - IN SERVICE OF DIVERSITY

**IMPROVING MOBILITY IN PUBLIC SERVICE
EDUCATION**

**1st INTERNATIONAL STAFF WEEK
BUDAPEST, 24-26 September 2014**

Mobility programme is not a mere support provided by the University to students and lecturers. It is also about developing and strengthening links and networks with other Universities, academics, students, and career advisers around the world. It is about collaborative work that crosses geographic as well as theoretical boundaries. Our universities are committed to build a platform for in-depth academic exchanges and for profound insights into new cultures and new aspects of certain field of study.

Therefore we are pleased to announce that for the first time two Hungarian universities, Corvinus University of Budapest and National University of Public Service co-organise a staff week between the 24th of September and 26th of September, 2014 in Budapest, Hungary.
